

**BRANTFORD CITY SOCCER CLUB**  
**RULE OF TWO POLICY**

This policy states that there will always be two vulnerable sector screened and NCCP trained/certified coaches with any minor athletes when in a potentially vulnerable situation.

This requires that any one-on-one interaction between a coach and an athlete must take place within view and earshot of a second coach, excluding medical emergencies. One of these coaches must also be the same gender of the athlete.

If one of the aforementioned Vulnerable sector screened and NCCP training/certified coaches are unavailable a parent who has been screened for the vulnerable sector may be used as a substitute to ensure the policy is always followed.

Vulnerable situations can include closed door meetings, travel, training environments amongst others. This policy is implemented to reduce and eliminate these interactions.
